

### Delavan Operation - Food & Beverage Service Organizational Changes

Issued By: Bruce Hanke- Aftermarket Sales Manager

Date: May 8, 2020

Bulletin No: 02-2020

SPX FLOW is pleased to announce several organizational changes within the Delavan Operation Food and Beverage Service Team.

1) **Michael Long** has joined SPX FLOW as a Homogenizer Field Service Technician, based out of the Delavan Wisconsin facility. Michael will be working with the production team while he completes his training and will then join the rest of the service team in the field. Michael has a strong mechanical background with broad service experience in both the military and civilian areas. Michael, along with the other Field Service Reps, will report into **Lori Villarreal**, who has accepted a Field Service Supervisor position.

2) **Lori Villarreal's** new Field Service Supervisor role will not only include the supervision of the US and Canada Field Service team, but she will also continue to schedule service, along with heading up the day to day service operations. Lori will report into me. We congratulate Lori on her new expanded role.

F&B Delavan			
Service Tech	Region	Based	Current Specialiation
Lori Villearral	USA/Canada	Delavan	Service Supervisor
Laurel Kroupa	USA	Wisconsin	Homogenizers
Keith Parejko	USA	Delavan	B&L inside only
Bill Berg	USA	Texas	B&L
John Betts	USA	Ohio	Anhyro/Process
Michael Long	USA	Delavan	Homogenizers/ B&L *new
Pierre Tremblay	Canada	Quebec	Homogenizer
John Gibson	Canada	Ontario	Homog, SSHEX
Tony Grutta	Canada	Ontario	SSHEX, Plates
Darcy Franke	Canada	Ontario	Service Coordinator

3) With Lori taking on additional service responsibilities, **Tom Rosenthal** has transitioned out of service and taken on a new role within the SPX FLOW SIOP Delavan Operations Team. As a member of the SIOP (Sales, Inventory, Operations and Planning) team, Tom will be focused on driving effective forecasts along with optimizing customer service levels while maintaining working capital requirements. We wish Tom the best in his new role and thank him for his contributions to the service organization.

Moving forward, please direct all standard Delavan-based service inquiries to Lori Villarreal at [Lori.Villarreal@spxflow.com](mailto:Lori.Villarreal@spxflow.com) or 262.728.4664.
